University College of Engineering

Kancheepuram

(A Constituent College of Anna University Chennai)

ANNA UNIVERSITY, CHENNAI

Anna University was established in the year 1978 as a unitary type of technical University amalgamating four institutions: College of Engineering Guindy, AC College of Technology, Madras Institute of Technology and, School of Architecture and Planning.

College of Engineering Guindy (the Oldest Technical Institutions in India). The University features educational programmes in the fields of Engineering, Technology, Architecture, and Applied sciences relevant to the current and projected needs of society. Besides promoting research and disseminating Knowledge gained there, it fosters cooperation between the academic and industrial communities.

ABOUT THE INSTITUTION

University College of Engineering Kancheepuram, established in the year 2010. The institute offers four under graduate programs in B.E (CSE, EEE, ECE, and MECH). We have highly qualified and experienced faculty members, well equipped laboratories and infrastructure. Institute tries its best to bridge the gap between academia and industry by organizing various programs for the benefit of students, in order to get them acquainted with technological advancement and updating with evaluating trends.

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering is to fulfill the growing demand for best-fit professionals expected by the IT Industry. In addition to this the department provides the students with value added courses, workshops, seminars, guest lectures and Industrial visits to ignite the young minds and to trigger the sparks of emerging technology within them.
